

STUCCO 777

Product Description:

Type:

A high-performance polymer-modified gypsum-based powder putty designed for leveling and smoothing interior walls and ceilings. It provides excellent adhesion, superior workability, low shrinkage, and a smooth finish ready for painting.

Usage:

Suitable for smoothing and leveling interior walls and ceilings before painting. Can be applied on gypsum plaster, cement render, concrete surfaces, gypsum boards, and other mineral substrates to provide a smooth, uniform finish ready for decorative coatings.

Key Features:

1. Excellent adhesion to gypsum plaster, concrete, cement render, and drywall surfaces.
2. Smooth and ultra-fine finish with easy sanding properties.
3. Low shrinkage and crack-resistant performance.
4. High filling capacity for minor surface imperfections.
5. Easy mixing and application.
6. Fast drying and excellent workability.
7. Environmentally friendly with low VOC content.
8. Suitable for interior applications.

Application Method:

Mix the powder with clean water using a mechanical mixer until a smooth, lump-free consistency is obtained. Allow the mixture to stand for 3–5 minutes and remix before application. Apply using a steel trowel or putty knife in thin, even coats. After drying, sand lightly to achieve a smooth surface before painting.

STUCCO 777

Product Properties:

Appearance	White Powder
Base Material	Gypsum & Polymer Additives
Bulk Density	0.90 – 1.10 g/cm ³
Mixing Ratio	40 – 45% Water by Weight
Pot Life	60– 90 Minutes
Initial Setting Time	60– 120 Minutes
Final Setting Time	180– 240 Minutes
Drying Time	4 – 6 Hours
Sanding Time	8 – 12 Hours
VOC Content	Very Low

STUCCO 777

Application Tools:

Putty Knife.

Packaging:

12 Kg

Storage and Shelf Life:

- 1- Store the product in its original, tightly closed container in a well-ventilated area away from direct sunlight and heat.
- 2- The product remains valid for 12 months from the date of production.

Safety and Precautions:

- 1- Do not store food inside the empty container.
- 2- Avoid contact with eyes. In case of contact, rinse immediately with water and seek medical advice.

Warranty:

We guarantee the quality of our products as stated in this data sheet, which reflects our extensive experience and the tests conducted on the product..
